

State of Texas Respite Resources

| Program Name | Contact Information | What the Program Does |
|-----------------------------------|--|--|
| Take Time Texas | Email — trcc@txregionalcouncil.org Phone — 512-275-9309 | For those who care for someone of any age with a chronic medical condition or disability, help is available through the Texas Lifespan Respite Care Program; and the Texas Respite Coordination Center. This website will provide you with: Statewide database of respite providers that caregivers can search to find nonprofit, commercial, faith-based, and governmental respite providers; Educational materials and online information and resources to help caregivers and providers resolve issues and find information about caregiving; Resources to help respite providers including outreach materials, information on best practices and training tools. |
| Texas Respite Coalition | Email — trcc@txregionalcouncil.org Phone — 512-275-9309 | The Texas Respite Coalition is a partner with the Texas Department of Aging and Disability Services (DADS) for the Lifespan Respite Care Program. The Coalition supports DADS in its goal to enhance and expand the coordination and availability of respite services in Texas |
| Texas Respite Coordination Center | Email — trcc@txregionalcouncil.org Phone — 512-275-9309 | The Texas Respite Coordination Center (TRCC) is the central point of contact for respite programs across the state. It was created to offer caregivers and respite care providers services, resources and educational materials. Provides: Services for Caregivers; Database of Respite Providers; Educational Materials; Online Services and Resources; Media Kits and Outreach Materials; Best Practices and Training Tools; Statewide Database of Respite Providers; |
